Section 50.41 of the City of Walton Code of Ordinances is hereby amended as follows:

**§ 50.41 BILLING PROCEDURES, DISCONTINUANCE OF SERVICE, AND OTHER REGULATIONS; PROHIBITIONS AND CONDITIONS.**

The following regulations, prohibitions, and conditions are applicable and are in force and effect with respect to the combined and consolidated water and sewer system of the city:

- (A) All taps and connections to the water mains and sewer of the city shall be made by and/or under the direction and supervision of the manager.
- (B) Water service may be discontinued by the city for any violation of any rule, regulation, or condition of service and especially for any of the following reasons:
  - (1) Misrepresentation in the application or contract as to the property or fixtures to be supplied, or as to additional use of water/sewer service, or as to unusual or extraordinary use of sewer facilities.
  - (2) Failure to report to the city additions to the property or fixtures to be supplied, or of additional use of water/sewer service.
  - (3) Resale or giving away of water.
  - (4) Waste or misuse of water due to improper or imperfect service pipes or failure to keep same in suitable state of repair.
  - (5) Tampering with meter, meter seal, service, or valves, or permitting such tampering by others.
  - (6) Connection, cross-connection, or permitting the same, of any separate water supply to premises which receive water from the city.
  - (7) **FAILURE TO TIMELY PAY ANY BILL OR TO ABIDE BY ANY NOTICE SENT TO A CUSTOMER BY THE CITY IN CONNECTION WITH WATER/SEWER SERVICE.**

(C) Any customer desiring to discontinue the water/sewer service to his premises for any reason must give notice of discontinuance in writing at city hall; otherwise a customer shall remain liable for all water used and water/sewer services rendered to such premises by the city unless said notice is received by the city. No person shall remain in a dwelling or building not connected to the water and sewer system, and if so, same shall be deemed a violation of this chapter and subject to the penalties of § [50.99](#) hereof.

(D) Bills and notices relating to the conduct of the business of the city will be mailed to the customer at the address listed on the application unless a change of address has been filed in writing with the city. The city shall not otherwise be responsible for the delivery of any bill or notice nor will the customer be excused from the payment of any bill or any performance required in said notice. **IT SHALL BE THE RESPONSIBILITY OF EACH PROPERTY OWNER, OR HIS/HER/ITS AGENT, WHOSE REAL ESTATE IS LEASED, TO MONITOR THE ACCOUNT TO INSURE THAT THE BILLS FOR WATER/SEWER SERVICE ARE BEING PAID IN A TIMELY FASHION AND THAT THE ACCOUNT IS IN GOOD STANDING.**

(E) (1) Meters will be read once monthly between the fifteenth and twenty-fifth of each month.

(2) Bills for water and sewer service are due and payable at City Hall, or to any designated agent, on their date of issue. The past due date shall be the fifteenth day after the date of issue. Bills will be dated and mailed on the first day of each month. A service fee of twenty dollars (\$20) will be assessed for any check returned by the maker's bank for any reason. If a customer's personal check is returned by the maker's bank for any reason three (3) times within a twelve (12) month period, the city will no longer accept such customer's personal check; subsequent payments must be paid in cash, by certified or cashier's check, by money order or by credit card.

(3) All bills not paid on or before the past due date shall be deemed delinquent, and shall be assessed a ten percent (10%) late penalty payment. In addition, the city may serve a customer a written final notice of said delinquency. The city will also serve notice that such customer is entitled, upon written request, to a hearing on the question of termination of service. If a delinquent bill is not paid within ten days after the date of final notice, and if no hearing is requested, or if a hearing is requested and timely held, and such customer's delinquency is thereby established, the water supply to the customer may be discontinued without further notice; provided, however, if prior to discontinuance of service, there is delivered to the city, or to its employee empowered to discontinue service, a written certificate signed by a physician, a registered nurse, or a public health officer that, in the opinion of the certifier, discontinuance of service will aggravate an existing illness or infirmity on the affected premises, service shall not be discontinued until the affected resident can make other living arrangements or until ten days elapse from the time of the city's receipt of said certification, whichever occurs first.

(4) If a deadline date falls on a Sunday or legal holiday, such deadline shall not expire until the next succeeding secular day.

(F) Where the water supply to the customer has been discontinued for nonpayment of delinquent bills, a charge of thirty dollars (\$30) will be made for reconnection of water service.
