**Common Council Present**

The common Council of the City of Walton, Kentucky met for a caucus meeting on Tuesday July 6, 2021 at 6:30 p.m. with the following present: Council Members Howard Stevens, Bobby McDonald, Terri Courtney and Dan Martin. The meeting started at 7:15p.m.

**Others Present** Roger Williams Water Works/Public Works Supervisor, Tammy Wilhoite Assistant City Clerk, Dave Baker Accountant, Matt Bogen City Engineer, Gerry Regensburger waterworks employee, representatives from HDR Engineering Firm. There were also residents from Aosta Valley subdivision present.

**Items Discussed**

The representatives from HDR were at the meeting to discuss new options for road improvements that would affect the City of Walton. One of the options would be to make U.S. 25 a five lane HWY, this would help to reduce heavy traffic and hopefully cut back on traffic accidents. The group of residents who came from Aosta Valley gave a presentation of why they do not want the new construction of an industrial/nursey behind their homes. This piece of property is on Rt. 16 between Aosta Valley Subdivision and Mullen Dr. Also discussed was the city 2021-2022 FY budget, accountant Dave Baker was present to answer questions for council regarding the budget. Matt Bogen attended the meeting to discuss the MS4 project and what items were still required to complete the study.
